How many people does your shipping company employ?

Aren't you also in charge of deliveries?

So you deliver to the Wanke villa district?

Both are fine.

Then what do you like to eat?

Ning... that's too specific as long as it has meat, I like it.

Wha...

全是肉
Isn't this way too much?

You mean, not as lovers, but rather, as friends?

I refuse! You and me can only be lovers! Even being strangers is not an option!

.....

Don't get mad ...

I'm not mad.

You're the president, right?

Yes.

Shouldn't you be marrying into a rich family to strengthen your family firm?

No need.
